Research on Lismer

I have undertaken to compile a catalogue raisonné of the paintings of Arthur Lismer; my consultant in this task is his daughter Marjorie Lismer Bridges. Anyone knowing the whereabouts of Lismer oil or watercolour paintings, other than those in museum collections, is kindly requested to inform: The Arthur Lismer Catalogue Research, Box 3232, Regina, Saskatchewan.

Thank you.

an important announcement for all students

In response to increasing requests from all over Canada, **artscanada** is pleased to announce that, effective immediately, there will be a special Student Subscription Rate of \$7.00 (plus nominal postage) for all bona fide students. The normal price of the magazine per year (six issues) is \$12.00 through newsstands and other retail outlets and \$10.00 by subscription. It will thus be seen that this represents a considerable price benefit for students. The student subscription will be renewable each year at the \$7.00 rate and we draw the attention of students and their lecturers to the new special Student Subscription Card in this and future issues of the magazine. It should be completed and mailed to **artscanada**.

We trust that by the introduction of this new student subscription the role that **artscanada** is playing in art education programmes throughout Canada will be further facilitated.
